

Spring – 2022 Advising Process

NSU advising process is comprised of three phases. It's the same for all students including probation students. The following few points are worth noting:

1. Pre-advising is mandatory for phase 1
2. Faculty evolution is mandatory for phase 1 except for pharmacy students
3. Most of the students will be advising from day 1 including probation 1 to 4
4. Probations 5 and above will be handled by the corresponding department separately.
5. Reasons for disqualification from advising:
 - Missing pre-advising
 - Payment is due
 - Missing faculty evaluation (except for pharmacy students)
 - Student is absent for 2 or more consecutive semesters without permission.
 - Unauthorized Semester Drop

Phase 1 - Pre-advised Based advising: (Jan 19 to Jan 21, 2022)

1. Advising will be based on students' pre-advising selections.
2. Student can add, drop and section change
3. Every student will have two slots for the day.
4. Any student who is missing a slot can advise in phase 2 and in phase 3

Phase 2 - Slot less advising: (Jan 22 to Jan 23, 2022)

1. No slot. Equal opportunity for everybody with possible auto queuing if number exceeds a limit.
2. Pre-advising restrictions will be removed. All courses will be visible to all students
3. Student can add, drop and section change

Phase 3 – Drop less advising: (Jan 27 to Jan 30, 2022)

1. The system will remain open for all students
2. Course drop is strictly prohibited.
