

Probation Student Advising – Fall 2021

All Probation Students

1. All probation students must complete their pre-advising irrespective of their probation number
2. Similar rules and advising restrictions are applicable to all students including probation students.

Probation 1 to 4

1. These students will get auto access to advising starting from September 28th, 2021
2. These students do not need to bring their guardian or give undertaking in this semester

Probation 5 and Above

1. These students may be scheduled from phase 1 on September 28th but their advising is conditional
2. They can expect to get a general SMS message right after grade submission on around September 26th
3. The department will contact each of these students separately and will ascertain their eligibility.
4. These students will be scheduled for advising in phase 1 like any other students but they can avail this opportunity only if their approval process is complete before their advising slot starts. However, they are free to do advising in phase 2 and in phase 3 presuming they are approved.
