

## Student Leadership Development Workshops at NSU

A substantial number of enthusiastic NSU students actively participated in the Student Leadership Development (SLD) workshops held in NSU on 21<sup>st</sup> of June, 2014, in association with BCCP (Bangladesh Center for Communication). The workshops were directed at the youths and pondered contemporary social issues, youth role in community development, social media, to express their thoughts and the ways to improve their skills and enhance their leadership capacity in the process and the like.

During these workshops students were shared and encouraged to exchange their ideas through group work with the skill-sets for entering the workforce as well as “Life Skills” that is with self-management skills, creative problem solving, etc. that would help them to deal with adverse situations. The motto of the program was to generate enormous interest to become leaders in their own way and do well in society.

Dr. Amin U. Sarkar, Vice Chancellor and Dr. G. U Ahsan, Chairman, Department of Public Health, NSU were present at the certificate giving ceremony among ninety seven students. Ms. Meher Afroze, Asst. Program Director, BCCP recognized the success of the program due to the partnership between NSU and BCCP.
