

Prof. Dr. G. U. Ahsan, Dean, School of Health & Life Sciences, on invitation, has left for India to attend the World Health Organization (WHO) Regional Director's Technical Advisory Committee (TAC) Meeting at South East Asian Regional Office, in New Delhi, during 4-5 April, 2016.

The WHO South-East Asia Regional Director's Technical Advisory Committee was established as a group of experts of global standing on health matters. Prof. Ahsan has been contributing significantly in health policy formulation and sustainable development for quality health service in Bangladesh and in this region. The WHO will bear the cost of this travel of Prof. Ahsan.

We wish his very fruitful contribution in this meeting.
