

SIPG

PUBLICATION CATALOGUE OF SOUTH ASIAN INSTITUTE OF POLICY AND GOVERNANCE (SIPG)

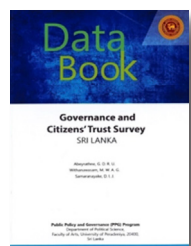

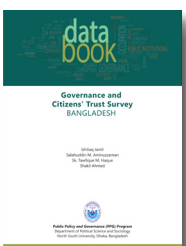

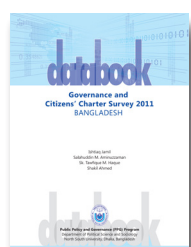

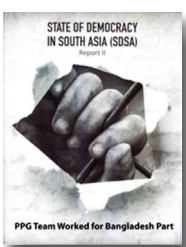

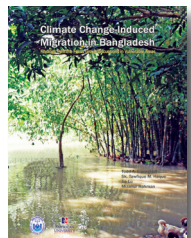

The South Asian Institute of Policy and Governance (SIPG) of North South University has generated and disseminated research and evidence based knowledge on policy and governance issues across national, cross-national and regional levels during last one decade. The North-South and South-South collaborations of SIPG have spawned significant number of high impact peer reviewed journal articles, regional scientific journals, international standard books, book chapters, research reports, policy papers and working papers. The research mission of SIPG is to advance knowledge for improvement of governance practices in South Asia through Bangladeshi, South Asian and International researchers, scholars and experts.

SIPG BOOKS

SIPG SCIENTIFIC JOURNAL & RESEARCH REPORTS WITH REGIONAL PARTNERS

SIPG POLICY PAPERS AND WORKING PAPERS

SIPG Research Network and Partnership:

The institute has educational and research collaboration with a number of academic institutions from South Asia specifically from India, Nepal, Sri Lanka and Bhutan; East Asia, Middle East, Europe and USA. Moreover, bilateral and multilateral organizations like World Bank, UNDP, UNHCR, ISRAS-China have joined as partners in this journey.

In the last ten years the institute has developed strong research, training and advocacy networks with Government of Bangladesh (GoB) and other regional government bodies such as Nepal Administrative Staff College (NASC); Civil Service College, Singapore; Razak School of Government, Malaysia etc.
