How to Add Virtual Background in Zoom

After logging in with the provided zoom link please follow the given steps to set virtual background.

٥

Step 1: This type of window will appear when you logged into a meeting.

Click on the "Arrow" beside the "Start Video" button. Some options will appear there.

.....

ø

Select "Choose Virtual Background" option from the list.

This type of window will appear when you click

Step 2: Click on the "+" button.
